SECTION 2

PROGRAMME STRUCTURE

2.1 Basic Structure

The Programme is designed to emphasize education that trains students with intellectual, physical, and social skills which are important in various occupational areas.

Students are required to complete a minimum 128 units (Major 66 units, General Education 31 units, Free Elective 30 units, Social Sciences Common Core 1 unit) of courses for graduation.

The programme structure of the Bachelor of Arts (Hons) Degree in Physical Education and Recreation Management is divided into 4 main areas of study: Major Courses, General Education Courses, Free Electives Courses and Social Sciences Common Core. This structure requires 128 units distributed as follows:

	Units
Major Courses	66
General Education Courses	31
Free Elective Courses	30
Social Sciences Common Core Courses	1

Total:	128

A student should take note of specific requirement of General Education Courses as well as the graduation requirements, i.e., completion of a minimum of 36 units of courses (including Honours Project) at the upper level (Level 3 and 4), and attainment of foundation Putonghua proficiency.

2.2 Programme Contents

The PERM programme consists of 66 units of major courses comprising of 8 major required courses (24 units), 4 research and methodology courses (12 units), 6 required skill courses (6 units), 2 major elective skill courses (2 units), 6 major elective courses (18 units), 2 internship courses (4 units).

The PERM programme offers dual foci in both “Physical Education” and “Recreation Management”. The major required courses are composed of basic sport science courses that are related to the human movement and sports studies, including “Human Anatomy & Physiology”, “Sport & Exercise Psychology”, “Exercise Physiology”, “Prevention & Care of Sport Injuries” & “Motor Learning & Development”... etc. At the same time, other major required courses are management-related, including “History & Philosophy of Physical Education, Sport & Recreation”, “Organization & Administration in Physical Education & Recreation”, and “Theory & Practice in Sport & Recreation Management”.

Based on the same principle, some major elective courses are sport and physical education related: “Fitness & Recreation for Selected Population”, “Health Fitness Evaluation & Assessment”, “Kinesiology”, “Nutrition & Health”, “Coaching Theory and Methodology”, “Outdoor Recreation” and “Principles and Practice of Exercise and Weight Management”.

The other major elective courses are management related: “Sociology of Sport and Recreation”, “Recreation Programming and Event Management”, “Sport Media & Public Relation” , “Introduction to Horticulture” , “Facility Management”, “Financial & Human Resources Management in Leisure Services”, “Leadership and Communication in Sport and Recreation” & “Marketing in Sport & Leisure Services”.

The programme has built-in skill courses with a total of 17 different sport skills. Six of them are required skills: Swimming, Track & Field, Gymnastics, Conditioning & Fitness, Dance and Outdoor Pursuits. Students are asked to take two additional elective skill courses to fulfill the programme requirement.

The PERM programme has established ‘one semester off-campus programme’ in which students can choose to apply for exchange in the first semester of the 3rd year.

Since the University degree has an “Honours” component, all students are required to complete the Level 4 course of “Honours Project” in the fourth year of study. Honours Project is intended to prepare a student with individual initiative for independent research and problem solving either at the

postgraduate level or as a physical education and recreation professional. Topic selection takes place near the end of year three and the student is under the guidance of an academic staff who will serve as the Adviser for the Honours Project thereafter.

Lastly, the PERM has a distinct component of a 2-unit “Internship-Local Placement” & a 2-unit “Internship-Overseas Placement” courses. Students are required to complete 250 hours of “Internship-Local Placement” in local sport and recreation agencies such as YMCA or National Sport Associations and 250 hours of “Internship-Overseas Placement” in overseas sport and recreation agencies such as the Walt Disney World International Cultural Programme, USA Camp Site, Taiwan Outward Bound School etc. The internship allows students to gain first-hand knowledge and understanding of community structure. It also gives students opportunities to experience contacts with professionals on the jobs and to integrate knowledge and theories with practical skills. Students are required to possess a valid first-aid qualification offered by Auxiliary Medical Services/Red Cross/St. John’s or equivalent organizations. Students are also required to attend a minimum of two conferences/workshops/seminars/academic activities offered or approved by the Department of Sport, Physical Education and Health or the University before being allowed to take “Internship-Overseas Placement in their Year 3 summer break.
